

FRIENDS OF LAPHAM PEAK
W329 N846 Co. Hwy. C, Delafield, WI 53018

Lapham Peak Friends Newsletter Vol.30, No. 3, October 2022 by Rita Keber

FRIGHT HIKE

The event is October 28 and 29. Many volunteers are needed with parking, security

and many other opportunities from Sunday, October 23-Sunday, October 30. Please consider helping by signing up with the link

<https://www.signupgenius.com/go/10c0549a-aad23a75-fright1> or check out the [website](#).

Check out the event on frighthike.org or on Facebook

<https://www.facebook.com/laphampeakfrighthike>.

This event is a fundraiser for Snowmaking.

Ticket sales are **online only** on the [website](#). Some time slots are full.

Note, Fright Hike is intended to be a fun but scary experience and generally not recommended for very young children (use your own discretion if you choose to bring them with you). With large crowds of people at this event, for the safety of the cast members and other guests, we do not permit pets at Fright Hike. For this special event, Lapham Peak requires a \$5.00/vehicle fee or valid annual State Park sticker to access the park. Carpooling is encouraged.

FLP ANNUAL MEETING

The Friends of Lapham Peak annual meeting will be **Wednesday, November 9th at 6 PM** At the Hausmann Nature Center (HNC). This will be the first time we are meeting in person after a two years hiatus.

Park in the HNC parking lot and walk down the lighted path to the building. Come and enjoy treats and camaraderie with fellow Friends members. Nominations for three new members will be accepted. If you wish to nominate someone or yourself contact President [Louise Borzynski](#) at 262-646-8583. We send a big thank you to outgoing board members Louise Borzynski, Rick VonHaden and Jon Jeffords for all their time and service.

After the short business meeting, John McCarthy will provide an update on the new Lapham Lodge displaying the current renderings and information on the project.

WORK DAY

Our group work event is **Saturday, November 12th** from 9- noon. There are several projects in the works: spreading wood chips and working on trail

rehabilitation. It would be helpful to bring a garden rake and/or shovel. Wear sturdy boots, bring gloves and dress appropriately for the weather.

A hearty lunch of chili, bread and desserts will be provided at noon by the Friends.

RSVP to [Rita](#) or call 414-627-7659 by Wednesday, November 9th if you can assist. We need a count for lunch and to ascertain the number of projects we can accomplish. A confirmation email will be sent to you so you know what area of the park your work location will begin at 9 am.

HAUSMANN NATURE CENTER

While checking out the fall colors stop to visit the Hausmann Nature Center (HNC). You only have three more opportunities left to visit this fall. On Sunday, October 16 there will be a program of the History of the Lapham Peak Tower and Increase Lapham. October 22 and October 23 will have a program on owl pellet dissection. Both programs are from 11 am to noon. [Registration is required so sign up here](#). The HNC is open from 10 am- 4pm.
