WORK MORNING

Join us on **Saturday, November 2nd** from 9 am to noon. Meet at the maintenance building which is the first left after the entrance office at 9 am. Plans include fall clearing and trail maintenance as well as cleaning the Butterfly Garden. Wear sturdy boots and bring gloves.

For the Butterfly Garden bring a leave rake, tarp, lopper and a cordless weed trimmer if you have one. For other trail clearing bring a shovel, garden rake and lopper. Some tools will be provided. A chili lunch will be served at noon. Please respond to Rita at rkeber@milwpc.com by **Tuesday, October 29** if you are attending and if you wish to stay for lunch so we can plan accordingly for work and food.

FRIENDS ANNUAL MEETING

Our Friends of Lapham Peak Annual Meeting will be held on **Wednesday, November 13** at 6 pm. Join us for snacks and socializing then a short business meeting followed by our speaker John Ward. John is a Natural Resources Educator. His topic is *Glaciation and the Kettle Moraine*. The Kettle Moraine is one of the truly outstanding and interesting landscape features in Wisconsin. He will inform you about the glacial history of the Kettle Moraine and landscape features such as kettles, moraines, kames, eskers, drumlins, and outwash plains. It has been popular presentation this summer at the Hausmann Nature Center. You don't want to miss it!
