SUPPORT THE LAPHAM LODGE WITH A DONATION

The Friends of Lapham Peak have completed the new Lapham Lodge to replace the functions of the existing Evergreen Shelter. The new Lodge, located at the Evergreen Trailhead, provides a spectacular year-round venue for park visitors.

Scott Miller

The Lodge opened to the Public in May, 2025. Your donations are still needed to provide improvements for the benefit of the visitors to Lapham Peak.

An excellent way to support the Lodge is to donate towards an item in the Lodge Donor Catalog. This includes pavers, engraved with your message, showing your support. For information on the Lodge and the donor catalog, go to:

laphampeakfriends.org/lodge/

Or scan the QR code below

SNOWMAKING AT LAPHAM PEAK NEEDS YOU!

Snowmaking on the trails at Lapham Peak is a project of the Friends of Lapham Peak. Friends volunteers and the DNR designed, constructed, and maintain the snowmaking trails, which are often the only place to cross country ski in southeastern Wisconsin. Your donations and volunteer support are essential to keeping this community resource available for all to enjoy.

SUPPORT SNOWMAKING AT LAPHAM PEAK BY:

- Making a donation TODAY, via the donation tube at the snowmaking trailhead.
- Mailing your check to the Friends of Lapham Peak (be sure to write 'snowmaking' on the check) to the following address:

Friends of Lapham Peak
W329 N846 County Hwy C
Delafield, WI 53018

- Volunteering to help make snow and/or join the snowmaking committee.

For more information on donating and volunteering, go to:

laphampeakfriends.org/snowmaking/

JOIN THE FRIENDS OF LAPHAM PEAK

www.laphampeakfriends.org

The Friends of Lapham Peak are a 501(c)(3) Non-profit organization whose mission is to promote, support, and perpetuate activities at the Lapham Peak Unit of the Kettle Moraine State Forest. The Friends' goal is to develop and promote outreach, educational and conservation programs, volunteer opportunities, and fundraising projects and events that support the Lapham Peak Unit, in cooperation with the DNR.
