

Dear Friends of Lapham Peak,

Thank you for your membership. It is with your assistance and monetary contributions that we make a difference at Lapham Peak. I hope you will continue assisting in our snowmaking project, prairie restoration, bluebird monitoring, Wednesday Night Ski Series, Lapham Loppet, Candlelight Ski, Hausmann Nature Center and Work Days. Your active participation will help us accomplish our goals. You will be kept updated of events through newsletters, e-mails, and on our website [www.laphampeakfriends.org](http://www.laphampeakfriends.org).

The Friends Board has added a new membership category, *Sustaining Lifetime Member*. Individuals who have been a lifetime member can make an additional contribution to the Friends of Lapham Peak to further our purpose “to promote and support the Lapham Peak Unit–Kettle Moraine State Forest.” You can take pride in knowing your gift will be used wisely to support Lapham Peak projects that maintain and enhance the property.

Our membership renewal year is January through December. Though we appreciate new members throughout the year, for bookkeeping purposes the membership fees are due each January. **Dues can be payable through March 31** of each year. New members paying dues on or after October 1 will be considered members on good standing for the following calendar year.

If you have any questions please contact Rita Keber at 262-547-4827, [rkeber@milwpc.com](mailto:rkeber@milwpc.com).

Thank you!

Rita Keber, Membership chairperson

Membership renewal is available from our secure [website](#) using a credit card or PayPal at [www.laphampeakfriends.org/membership](http://www.laphampeakfriends.org/membership) or by completing and returning the membership form below. Please make checks payable to *Friends of Lapham Peak*.
