Subject: Letter of Acceptance

Dear Friends of Lapham Peak,

On behalf of the Wisconsin Department of Natural Resources, I want to thank you for your generous donation of \$9,168.35 toward the purchase of an Eterra Raptor Mower. This donation will complete the funding for purchasing the mower attachment for the skid steer. The mower will be used for widening hiking and ski trails as well as mowing bike trail shoulder edges and slopes that are otherwise difficult to maneuver.

Contributions like yours are an asset to the park's numerous visitors, particularly for those wishing to take a relaxing hike or an invigorating ski on Lapham Peak's machine-made snow loops. We are also excited to use this machine on the Glacial Drumlin State Trail to periodically clear the shoulders. The department is very fortunate to have your commitment to supporting Kettle Moraine State Forest – Lapham Peak Unit and enhancing it for all citizens.

The department gratefully accepts your donation which is hereby recorded in the official records of the Department of Natural Resources. Thank you for your support in further enhancing the Wisconsin State Park System now and for future generations.

Sincerely,

Signed by:

AF540CB1A14C42A...
