Subject: Letter of Acceptance

Dear Friends of Lapham Peak,

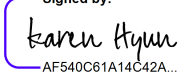

On behalf of the Wisconsin Department of Natural Resources, I want to thank the Friends of Lapham Peak for their generous donation of a Polaris Ranger UTV, valued at \$18,407.99. This donation will assist staff and volunteers to complete habitat restoration, park infrastructure and maintenance projects at Lapham Peak. The department is very fortunate to have your commitment to supporting Kettle Moraine State Forest - Lapham Peak Unit and enhancing it for all citizens.

We recognize the great relationship between the Wisconsin Department of Natural Resources and the Friends of Lapham Peak, who have supported habitat restoration projects for many years. With the growing number of volunteers involved with habitat management activities in the park, this UTV will help to complete activities safely and efficiently.

The department gratefully accepts your donation, which is hereby recorded in the official records of the Department of Natural Resources. Thank you again for your support to further enhance the Wisconsin State Park System now and for future generations.

Sincerely,

Signed by:
